

40 Days of Prayer to Election Day in the United States

Bethlehem Lutheran Church, Pemberville, Ohio

The 40 days begin on Thursday, September 24 and conclude on Monday, November 2.

If you plan to vote early, you can begin this prayer guide anytime. Feel free to adapt this list to pray through the whole list before you cast your ballot, even if you need to pray through several days at once.

It is important to pray for these leaders by name. If you don't know a name on this list, the League of Women Voters and your local Board of Elections should have that information.
