## Pastor's Message

*By Pastor Tim Philabaum - October 2023*

Brothers and sisters, we have come to another month, one in which change is all evident, one in which the season of "holidays" arrives.

This time has been a gift of autumn. The vibrant yellows and reds in the trees, the abundance of harvest having been and also now being collected, the comfortable temperatures all speak of the bounty and beauty of The Creator, The Artist, The Lover. Yes, each month has its own beauty, but the gifts and colors and lessening of sunlight are gifts that October brings.

At the end of this month, on the 31 st, 1517, a momentous change occurred in our history – Martin Luther stood up to the powers and spoke his truth – that God alone is to be trusted, and that God had revealed God's self in God's Son, Jesus, and that only the words printed in The Bible, breathed through by the Holy Spirit, were viable for our life today and for salvation.

We know the history of the Reformation, of Luther's separation from the

Roman Catholic Church, of the wars and divisions that

subsequently resulted. We also know that in these blessed present years we Lutherans and Roman Catholics have come together to acknowledge what has always been central – that

Jesus Christ is King, and his sacrificial gift on the cross paid the price for all. No one needs to earn God's favor – this gift is already given. And in that gift, we are all brothers and sisters to each other. Alleluia!

I love the history and all the information it provides. But what really hooks me as a result of the Reformation is the re-emphasis on St. Paul's understanding of grace. No matter how I feel about myself, no matter what I think about anyone else, we are all

welcomed and loved into God's Kingdom by grace. I try to be a better person. I try to follow God's directions. I try. But I will always fail. It is only through the boundless love God in Jesus Christ that the Holy Spirit wraps me in grace, and I am one of God's children. I need that kind of assurance, and I would assume that you do too. You are God's beloved daughter, God's beloved son! And as St. Paul writes in Romans, "nothing can separate us from the love of God in Christ Jesus our Lord."

So, blessings to you this blessed month. May you find yourself in constant thanksgiving and praise as you move throughout your days. And may the love that God has for you spill out to all those who also walk in God's love. Blessings!

## Operation Christmas Child Shoebox

By: Eileen and Vic Schuerman

It is more than a SHOEBOX! It is Evangelism, Discipleship and Multiplication ( Parents, Grandparents, Aunts and Uncles). Each SHOEBOX recipient receives a book and is encouraged to attend 12 sessions to study THE GREATEST JOURNEY. "Every SHOEBOX gift is an opportunity to reach a child with the Gospel of Jesus Christ. It's about telling children around the world and their families that God loves them. He hasn't forgotten them. We're taking the Good News to the ENDS OF THE EARTH and doing it through a shoebox." Quote from Franklin Graham, President & CEO, Samaritan's Purse. Each SHOEBOX that is filled from Bethlehem is entitled to a jump rope, Pouch, headband and washcloth made from recycled tee shirts. Your \$10 donation is not just shipping; it also helps pay for the booklets the children receive and the teachers teaching the 12 lessons in the follow-up discipleship program. Our goal is to fill more boxes that last year, which was 253. Thank you for helping us with this great Evangelism project. If you so desire to donate individual items there will be boxes in the hall and fellowship hall.

### God Uses a Gift and a Letter to Change Lives

As a 7-year-old in Mongolia, Jargalmaa (pictured left) described one particular day as "unexpected." After school, her teacher invited her to a church where she received her very first gift! This Operation Christmas Child shoebox gift included, among other fun toys, stationery, and a set of hairclips. Inside, she also found a letter that said, "You are valuable and so loved by God." Jargalmaa cherished this message because her parents and grandparents had never told her that they loved her.

Jargalmaa went on to participate in The Greatest Journey discipleship program where she especially appreciated the lessons about God as Creator. Later in 10th grade, she accepted Jesus as her Lord and Savior. Through her testimony, five of her family members and two close friends also made this life-changing decision.

Now 15 years after receiving her shoebox gift, Jargalmaa, her husband, and two young children (pictured above) have recently moved to a new community where they are ministering to youth in hopes of starting a church.

"I would like to challenge people who are preparing shoebox gifts to also write a letter showing God's love," Jargalmaa said. "What's written there may be very simple, but those simple words could completely change somebody's life."

# Mission Honduras

By Darla Boyk and the Mission Honduras team

Plans for our upcoming January brigade are underway! We will be assisting with a medical brigade, doing filter work and maintenance projects at the children's homes. If you are interested in joining us as we travel to Honduras from January 19th (evening departure) to January 30th, please let me know. Please note, you do have the option of returning home on January 27th.

At a recent meeting, one of the brigade members suggested we share our newsletter articles with other local churches so I asked if some of them would share their reflections of their time in Honduras. One member wrote:

"What would you be willing to do for clean water? Living in the Great Lakes region of the United States, we have access to abundant water resources. We take it for granted that drinkable water flows when we open a faucet. In the Central American country of Honduras, water that flows from a faucet or is drawn from a cistern, in all likelihood, will be undrinkable due to contamination of high levels of parasites and bacteria. As a result, children in Honduras experience 13.6 illness episodes from unclean water each year.

Thanks to the generosity of those in our communities, Mission Honduras makes clean drinking water available to families living in the villages and rural areas surrounding Nuevo Paraiso. Team members distribute water filters for household use and teach family members how to use and maintain them.

It is a common occurrence for young mothers, many of whom had walked several miles carrying infants across mountainous terrain, to arrive spotless at the filter distribution points dressed in their "Sunday best" attire. They come with the hope of finding clean drinking water for their families.

Preliminary results are encouraging. Families are reporting fewer waterborne illnesses to public health nurses and at clinics. Research is underway to determine the overall impact of filter use in improving the health of the families that are using them. Key to success is coaching from local filter advocates who reinforce proper care and use of the filters.

The work of Mission Honduras is ongoing. Distribution of filter continues as does follow up with families that previously received filters. A \$50 donation will provide a household water filter system to family in rural Honduras. Your support makes clean water possible for people who otherwise would continue to struggle with diseases that have been eliminated in North America."

We do have several events planned this fall. We will have more details to share about each event in the next few weeks. Our plans include:

- A screening of "With this Light", a documentary about the life of Sister Rosa, the founder of SAN on Sunday, November 12 th at 6 PM in the fellowship hall. This fundraising event will include hors d'oeuvres, finger sandwiches and desserts! Mark your calendars!
- Calling all bakers, dippers, and sweet lovers! November 11, we will need help making buckeyes (the candy) to sell as a fundraiser to help purchase filters and defray logistics costs for our upcoming January trip. We will be taking pre-orders for the buckeyes and will need help making, dipping, and packaging the buckeyes. If you are interested in helping make the buckeyes or have advice on how to make lots of buckeyes, let me know! Details to follow on the buckeye making day as well as how to pre-order.
- We will also have a packing/sorting day for our supplies we will be taking to Honduras sometime in December.
- As always, donations are always appreciated. Please make the checks payable to Mission Honduras-Bethlehem.

Thank you for your support of this mission and hope to see you at one of our upcoming events. As always, please let me know if you have questions about our filter mission. Keep us in your prayers as we prepare to return to Honduras.

A big thank you goes out to everyone who made pies this year for the Pemberville Fair. Pie baking seems to be a lost art, but not at Bethlehem. There were 125 pies donated, which exceeded the quota given to Bethlehem. The proceeds from the sale of the pies will be distributed to worthy causes at the end of the year by the BLCW organization (Bethlehem Lutheran Church Women). Again, thank you
